

REFERENCE GUIDE

Vocabulary Choice Board

Overview

Allows learners to review and explore vocabulary words in multiple ways.

UDL Guidelines

Provides options for:

- Recruiting Interest
- Sustaining Effort & Persistence
- Language & Symbols

Steps to Implement

- 1 Explicitly teach the word and definition using learner-friendly language.
- 2 State the word again and check learner's understanding of the definition.
- 3 State the options/model options if not already been modelled.
- 4 Learners select option and complete.
- 5 If learners complete one option, they select another until time is up.
- 6 Review learner responses to each option.
