

REFERENCE GUIDE

Independent Practice

Overview

Gives learners autonomy to monitor their own learning.

UDL Guidelines

Provides options for:

- Recruiting Interest
- Executive Functions
- Self Regulation

Steps to Implement

- 1 Teach the skill or concept required for the independent practice.
- 2 Give learners time to reflect on their understanding of the skill or concept taught.
- 3 Present task.
- 4 Set the expectations for each choice.
- 5 Allow learners to join the teacher group throughout the time – set expectations as to how this should be done.
- 6 Give learners the option to move back to independent practice if feeling confident anytime.
